Dear Parents/Guardians of P2-P3 pupils,

TERM 4 UPDATES

Welcome back to the final term of the year. The following are some reminders and updates for your kind attention.

1. **Precautionary Measures for Deterioration in Haze Condition**

The school has been monitoring the overall air quality and haze situation. We have put in place the necessary precautions and continuity plans to minimise disruptions to school activities while at the same time ensure the well-being of our pupils and staff. As part of haze management readiness, please ensure that your child brings along a surgical mask and have his/her necessary medication (eg inhalers for asthmatic children) with them at all times.

We would like to seek your understanding that relatively short notice of school closure can be given. In the event of a school closure, the school will contact parents to inform them via phone or SMS. As such, we wish to encourage you to make advance care arrangements for your child where necessary. School will activate home-based learning for pupils if the closure of school is prolonged.

We wish to inform you that our School will be conducting an emergency preparedness drill on lockdown in **Term 4 between Week 5 and Week 6**. This drill on lockdown aims to train the staff and pupils to be prepared when a serious threat exists to the school and they be confined in a locked facility e.g. classrooms for safety.

We appreciate if you could take time to reinforce our message on the importance of safety with your child, not only in the context of the School but also as a nation, that every Singaporean should be vigilant and be prepared for any emergency.

2. **Public Health Consciousness**

We would like to reiterate the need for every child to observe good personal hygiene and exercise social responsibility by not coming to school if he/she is unwell, especially with symptoms such as fever and rash. Do arrange for your child/ward to see a doctor as soon as possible.

Please be informed that the annual School Health Visit by the HPB team is scheduled on **Monday, 6 November to Wednesday, 15 November 2017**. It is important that your child/ward attends the medical assessment. You are advised not to make your holiday plans before the school term ends.

Our Vision: A Gracious Community of Confident and Innovative Life-long Learners

3. Road Safety

The safety of the pupils is of paramount importance to us. We would like to thank you for your cooperation in ensuring the smooth flow of traffic in the drive-in access at the front foyer inside the school. Please continue to help us role model consideration and affection for other road users. We also need your help to reinforce good safety habits in your child, especially when he/she is crossing the road.

4. Children's Day Celebration cum "Be Yourself Day"

The school will celebrate Children's Day cum "Be Yourself Day" (BYD) on **Thursday, 5 October 2017**. School hours will be as usual. The theme for BYD is "Hats – My Inspiration, My Creation". This is an opportunity for the pupils to think of innovative and creative ways to create a hat to represent an inspirational figure in their life. Pupils must have a short write-up on what his/her hat represents and how it has inspired him/her.

Pupils can wear a costume to match the hat they have created. However, they can still choose to come in school uniform if they so desire. Do note that they have to dress appropriately. Very short shorts, spaghetti-strings tops, halter-necks are not allowed. Pupils will be separately briefed by their form teachers on this event.

The BYD is held in conjunction with the school's support for the Community Chest Children's Day Appeal, a donation drive to raise funds for 80 social service organisations in Singapore, allowing them to focus on caring for the disadvantaged. We encourage all pupils to donate generously and do their part for society. Please place the money in a sealed envelope provided. Your child will then hand this envelope to the form teacher. The period for the collection of donation will be from **Monday, 9 October 2017 to Wednesday, 11 October 2017**.

5. School Events and Public Holidays

PSLE Listening Comprehension will be conducted on **Friday, 15 September 2017**. P1 to P5 pupils will be engaged in Home-based Learning via MC Online that day. Kindly make your own transport arrangements to take your child/ward home.
