Respected sir/madam...

I am writing this e-mail, to you and to your team of dedicated teachers. To say THANK YOU and YOU'R WORK HAS BEEN APPRECIATED. I am the parent of noor farhana begum of p2-6. A simple thank you ,cannot be equal to the amount work done by the teachers ..especially by mrs neo of p2-6. I strongly believe that each parents should play 50% of their part in the children's education ,teacher's 25%and students 25%.My daughter's teacher has taught her to be more responsible person.

Since p1 to p2 she was under mrs neo. There is so much difference in her work and more confidently she is now than p1. THANK YOU MR HANAFI (principal) for having dedicated team of teachers.

Once again I take this time to say thank you mrs neo for everything. HAPPY NEW Year to everyone at punggol primary school.

From the parents..
Mr and Mrs ibrahim
