Dear Mrs Ang,

I would like to express my gratitude to you. Jun Yan is very fortunate to have you as his form teacher in Primary 5 and 6.

As parents, it is impossible for us not to stop worrying about him due to his medical condition. However, at the back of our minds we are often at peace because we know that he is in the good hands of teachers like you. You are always paying extra attention to him especially when he went for school excursions.

Thank you for being there the very next day when Jun Yan went for emergency operation on 9 Oct 15. In fact you were his 1st visitor in the hospital to give him support and encouragement and we were all very touched by your gesture.

Thank you also for selecting Jun Yan to be the class monitor when he was in Primary 5. He has since developed more confident and is now always striving to set a good example for others to follow.

Jun yan has enjoyed his happier six years at Punggol Primary school. Thank you so much for making a difference and being part of his journey.

You are a dedicated teacher. We greatly appreciate it.
