

How to install Moo-O at home

Username: _____

Password: _____

On PC/Mac

- Step 1: Go to the website: <http://www.Moo-O.com>
- Step 2: Click on the **Download** link. Save the **Moo-O** (not **Moo-O Plus**) setup file on your computer.
- Step 3: Run the setup file you just saved in step 2 to install the Moo-O software.
- Step 4: Double-clicking on the Moo-O icon (shown below) on your Windows Desktop (PC) or Applications folder (Mac) to run the Moo-O software.

- Step 5: A login form will appear. Login with your Username and Password stated above.
- Step 6: After you have successfully signed in, you should be able to see a list of stories. You can then start using the Moo-O software.

To download Moo-O User Guide for PC, go to <http://www.Moo-O.com/Help>

On iPad

- Step 1: Search for the Moo-O app on Apple App Store. Use “Moo-O” as the key to search.
- Step 2: There are two different apps for English and Mother Tongue Languages. Ensure that it is the correct Moo-O app that you are installing. Both apps, published by Eyepower Inc., are free to download and the thumbnails are shown below:

To read English stories, install
Moo-O SG

To read Chinese, Malay or Tamil stories, install
Moo-O BL

- Step 3: Once the app is installed, login with your Username and Password stated above.

Parents who want to watch Moo-O videos produced by your child, please go to the website <http://www.Moo-O.com> then **Sign in** with your child’s Username and Password stated above.
