Dear Mrs Chong,

I would like to say thank you for all the support you have given I Jay. He has been pretty mischievous and troublesome in class and often day dream. It is really hard to give every student such attention especially with a class of 30 students but you have not ignored my child and showed concern. Your observation and advice for him to attend special classes has made him more confident with school work.

We sincerely appreciate everything you have done. Thank you from the bottom of our hearts.

Yours sincerely,

Tanny and Desmond Lim, parents of I Jay Lim 2-5

Cc: Mr Hanafi Asmore, Principal of Punggol Primary School.
